

STUDENT FEATURE

GABE COOLIDGE

Hi, my name is Gabe Coolidge. I graduated from Mountain Valley High School in 2021, and am currently attending Central Maine Community College in Auburn majoring in Precision Machining Technology. This education is very important to me to reach my goals as a Machinist. The Andover Educational Fund has helped me tremendously pursue my career. The aid provided has made it easy to buy books and tools for my education and occupation. As I am a day student, gas money is also reimbursed. A big shout-out to the Andover Educational Fund and those whose support it.

Thank you!

2022 CAMPAIGN

We are pleased to share with all of you the results of the AEF 2022 campaign – together family and friends of Andover raised \$31,566!

When supporting AEF, Inc.'s annual campaign, you are providing one of the most unique scholarship opportunities that exists between a small town community and its students, anywhere in the world.

OUR MISSION

To successfully assist all Andover students, regardless of their financial need or their educational success, with equal access to funding to further their education following high school graduation in a field of their choice, in the setting of their choice.

PLEASE TURN TO PAGE 2 FOR A COMPLETE LISTING OF OUR 2022 DONORS

2022 CUTTING ENDOWMENT RECIPIENTS

Each student was offered up to \$3,500 per year for 4 years to further their education beyond high school. This amazing opportunity is a reflection of the trusting partnership that exists between scholarship Supporters, the AEF board and their ability to effectively administer the donations received. We hope you will consider helping us continue supporting post high school education in the form of a donation in 2022-23.

BOARD LETTER

Dear Supporters of the Andover Educational Fund,

To provide an update about our Andover students. There are several students from the Class of 2022 that are pursuing their college education at Community Colleges, since the tuition in the State of Maine is currently free, this decreased the number of Cutting applications we received this year.

A donation was received from the estate of Martha Webb Chandler in the amount of \$15,016.22. Martha was a long time supporter of the Andover Educational Fund. We would like to extend our condolences to her family and thank them for this generous donation.

We have made tremendous progress in establishing an online presence for the Andover Educational Fund. The website will be launched in the next couple of months and we will have the capacity to accept online donations. The link and QR code for donations are below. The website will also provide us with more efficient ways to reach out to the students of Andover and our donors.

Thank you for your continued support and we look towards 2023 with new insight and connection with our donors and our students.

ADULT ED UPDATE

Rebuilding the Adult Education Fund

In 2014 the Board of Directors of the Andover Educational Fund elected to rebuild and restore the Adult Education Fund. In an effort to keep this fund sustainable, the board recognized the need to build a base funding amount of \$10,000 before we begin issuing scholarships. We are currently at a funding level of \$6,634.79.
